17. (Unclassified - THW) LIAISON I called Marian Czarnecki, Chief of Staff, House International Relations Committee, who said that he had not had a chance to speak to Chairman Thomas E. Morgan (D., Pa.) about the request from Representative Lester L. Wolff (D., N. Y.) for an appearance of Roger Brown before the Special Subcommittee on Future Foreign Policy Research and Development, of which Representative Wolff is Chairman, but he would do so later on in the day.

I also briefed him on the contents of our proposed answer to the letter from Chairman Morgan regarding Representative Michael Harrington's (D., Mass.) resolution, H. Res. 1295. He thought the contents of the letter were just what the Chairman needed.

I also mentioned that the National Council for U.S. /China Relations had asked [] OER, to brief Czarnecki and other staffers prior to their trip to China, and I wanted him to know that [] was one of our people. He said he had no problems with that.
